“ Dad, I am truly going to miss you!! I want to thank you for your guidance, helping to mold me into the man that I am and the confidence that you had in me for being the man I continue to evolve into. I will continue to make you proud and walk in the path that you have helped me prepare for my future. It took me a long time to realize that you wanted the best for me and you were tough for my greater good. It was a honor and a privilege to be your SON. You will be sadly missed, but I know in my heart that you are finally at peace. Rest well my father, my hero!! Mario
