“ *Phyllis always had a great sense of humor and zest for life. As a little girl, I remember thinking how beautiful she was . My grandmother, Phyllis's Aunt Louise adored her. I can still hear her saying sweet things about her niece Phyllis. To Casey, Uncle Sam and Aunt Alice, nothing will ever break the bond that you all have with her. Just have faith that she is no longer suffering and is at peace. If there is anything I can do, please do not hesitate to ask.*

“ *Phyllis was my Aunt, and she would come over by my pawpaws house often, and her and I would joke about things, play and pick on each other, we had a relationship that although we werent as close physically, we were close mentally. listening to her voice her opinions, and then nab at pawpaw about something she didnt agree with...she was a character. probably one of the most loving people ever to be put on this earth. she didnt keep anything from anyone, and you knew it if it was directed to you. she was a vibrant woman, who had a rough life...she was living proof of a miracle. at age 18 she was in a bad accident which left her whole left side paralyzed. she struggled for over 30 years, but during that struggle she was carried by the most loving family. you will be very missed aunt phyl...i love you with all of my heart. im glad youre not suffering anymore.*

sleep well, and in time, see you soon. <3

“ *My God mother Phyllis was such a caring, unselfish person who loved her family and friends unconditionally. I know that she adored our family and her love and interest in our accomplishments will truly be missed. Although she was dealt an unfortunate hand in life, she made the best of it and she was joyful to be around with her quick wit and the stuff she would say. I'm happy that she will no longer be suffering and can enjoy eternal life looking down on us as our guardian angel. Nanny, I love you so much and I will miss you terribly.*
