“ I worked with Preston @ IMTT and even though we are around the same age, he always addressed me as Ms. Lisa. Always tilted his cap, always respectful and courteous. I will miss his smile and his gentleness. I am and will continue to pray for his family. I know he had a lot of love in his heart. I pray for God to give this family the strength they will need going forward and I ask that everyone will do the same. Prayers do work in numbers. God Bless.
