“ So sorry he is gone. He touched so many lives. He was a loving brother to me. I found an old group picture of us kids where Raymond is just a teenager and he, Gary, Alexander, Judy, Patty, and myself are in it. I will upload to the tribute wall. Also found two pictures taken when we visited Jan and Raymond several years ago.

“ He has been my dad for the past 32 years and my family and I have loved the many adventures we have experienced with my mom and Raymond. Maddie loved her grandpa and enjoyed camping, fishing and having him cheer her on at her school events. He even took piano lessons at her dance studio and she was soo proud. He bravely fought cancer several times in his life, since 2009, with my mom, right by his side. He lived through a 15 hour surgery and a stroke in 2019 . My mom has loved him so much and has dedicated every day to making sure all of his complex medical needs were well taken care of. She did it on her own and often times showed home health how to take care of his trach. He was in so much pain and he loved the Lord. We will miss him , and we will look to God to help us through our grief. I am so glad that his body is not suffering anymore. He has his voice back in Heaven and ai bet he is singing some Swamp Pop up in Heaven.
