

Raymond "Ray" Lentz

November 21, 1963 - September 29, 2019

Ray, age 55, went to be with the Lord on Sunday, September 29, 2019. He was a resident of Roseland. Ray's family always came first; he was a loving father, a wonderful spouse, and he always adored his precious grandchildren. Ray loved his dogs Harley and Marbles. Ray proudly served his country in the United States Marines participating in Operations Urgent Fury in both Beirut and Granada. He was employed at the Tangipahoa Sheriff Office since 2005. Prior to that, he served his communities in both the St. Tammany and Washington Parish Sheriff Offices. He had a heart of gold and loved and cared for everyone. Ray loved cooking, and being outdoors; especially fishing with his family. Ray was a very loving kind hearted soul who never met a stranger. A person who would always give a helping hand to others. He was a true family man who left a remarkable impact on those he loved and will be forever missed.

Ray is survived by his daughter, Lynzee Raye Lentz; sons, Robert (Stephanie) Lentz; Ryan (Kaitlyn Rene) Lentz; grandchildren Cameron and Eli Lentz; brother, Timothy (Suzanne) Lentz; sister, Cathy Reeves; numerous nieces and nephews.

In lieu of flowers, the family requests donations be made to the Louisiana Wildlife and Fisheries Foundation.

“ *Ray and I were next door neighbors in high school. Years later, he confessed that he used to try to look into my bedroom window, which was in the front of our house. He had that dry wit, was a great supervisor detective, and adored his children. He was a man of integrity. I will miss him forever. Rest In Peace, Sweet Ray.*

“ *What a laugh he got out of coming to a house for years,when the owners remembered I was coming to clean and even left my pay check,but still set the alarm and went out of town. It was motion detected and ever time I moved it went back off. Well here pulls up St.tammany Sheriff's office and thank God it was Ray. He laughed and said mama you working or robbing today.lol He knew I had worked for this doctor for years and that the doctor consider me as family. I'm just beside myself and Ray says it's ok and laughing.*
