“ Shocked to hear of Rhonds passing. I was her Fb friend but did meet her through a friend. She was a very sweet person with a big heart. We talked about family and she enjoyed all so much. I know she will be missed so much by friends and mostly her family, keep her memory alive tell the Grandkids funny things Rhonda did so they can know how she was. Grieve your way but not to long as Rhonda would not want you to be sad. R.I P Rhonda, you are needed somewhere else, your work here is done.
