“ *Aunt Rhonda, my times with you were some of the best. Every summer I spent with you was filled with fun, laughter and pizza Inn (you knew the way to my heart). Your swimming bonnet still makes me giggle and sorry about your carpet (the great chocolate vomit incident of '91). Your gaming skills are still unmatched and we all know you cheated every chance you got! The boys adored you just as much as I did and watching you with them gave me great joy remembering all the times I had with you. You taught me many things but the biggest was to lighten up a bit and just enjoy the moment. You are sorely missed already. Until we meet again, we love you.*

“ Dear Sweet Rhonda,
We all were so blessed to be first cousins. I know we lost touch as we got older but I remember going to grandmas on every holiday. We had so much fun. I would come to spend a week or two with you when you lived in Bogalusa. You and me and Mel would also hang out together because we were all so close in age. This is so sad. We should've seen each other more often I know but it is what it is. I want to remember all the good times we had together. Deb, Aunt Thelma, and Zackery my ❤️ breaks for you all. Sending prayers to all of you at this terrible time. Rhonda I will miss you always

“ No words can express my sadness. We have not seen each other much the last few years but I have so many many great memories of all the fun we had in our younger days in Bogalusa and in Grenada when I would visit. Such a beautiful sweet and funny lady. I will miss her. Thoughts and prayers for the family.

“ My sweet friend from high school, I'm so sorry to see this. Where you saw one of us you saw the other. Rhonda was so funny! I spent many nights at her house way back in the day. Not long ago I was going through my scrapbook and found some old letters that she wrote and passed to me in class in 10th grade, these were the old type letters that were folded and in the shape of a football. I'm so sorry I didn't get back in touch with her while she was sick. I will miss you my dear friend and will keep the family in my prayers. 🙏❤️

Zack, I know you do not know me but I worked side by side with your mother. She never failed to brighten my day, she was a hoot and I am completely heartbroken for you and your family. She spoke about you a lot, and your wife as well. Her sister and her cat. I even attempted to introduce her to my dad because I thought he needed to meet a good woman like Ms. Rhonda! I'm so sorry for you and your family's loss... She was the real deal and I am very saddened.

*Deb,
I just don't know what to say or think. It just makes me sick and sad all at the same time. Rhonda was so sweet to me when we were growing up. I will miss her. I know you will take care of your mom and her son. That make me happy to know that. Please take care of yourself.*
