“ Roach was a one-of-a-kind. He was hot-tempered, but crafty. He was unsure at times, but focused. He was loose with his thoughts at times, but always...always loved his children and was dedicated to those who respected him. He was like a brother to me years ago, trusted me with his family and gave me full reins. He made me an honorary Lee. And when I was bothered, he would listen, talk and hug. He was a really dear guy. Then distance separated us, but whenever he would see me, it was always....Duuuuuuube! He would lighten up and all I could do was love him again! Fly, Roach, fly! And thanks for being that special guy when I needed you!

May our Lord watch over the family during these times which challenge.

To all of the Lee Family,

You are all in my thoughts and prayers.

Richard or "White Roach" as I knew him and I spent many many nights at the Fire Station on Guerra Dr. protecting the citizens and community of St. Bernard. No matter what, he always managed to make me crack a smile and get through some of the harder times we experienced. Not only did I enjoy his camping stories but also had the pleasure to do some riding with him when he was on motorcycles. I'm sure he and Big Bob are sitting around heaven somewhere BS'ing each other right now!

I too share in the sorrow of your loss.
