“ Well daddy it's almost time for us to go see u. I wish we didn't have to see u like that. Wish it was that we were going to the hospital or better yet seeing u at home. I'm gonna miss u so much daddy. It's so hard to walk in the room and not see u there or hear u say everything is gonna be fine babygirl u got this. And most of all I'm gonna always treasure that last time u grabbed me and hugged me so tight and didn't want to let me go. I love ya daddy so much.
