“ I would like to convey my sympathy to you in the loss of your loved one. I didn't know Mr. Cheryl personally, but I do understand the loss of losing one so dear to me. I lost my father a few years ago, and then a year later my younger brother. It was a difficult time for all of us, but reading the little notes from family, friends and even strangers, helped us get through this very difficult time. Reading the bible, especially in Psalm 34:18, here it reassures us that we are not alone, more so at a time like this. We can so look forward to the wonderful hope found in John 5:25,28 All those in the memorial tombs will wake up, just as Lazarus did in John 11:11,14-44 what a joy when they saw Lazarus come forth here on earth before their very eyes. Remember to keep close to your heart the experienced you shared, pass them on to those who follow you and his memory will live on in them. Take care of yourselves so you can be there for those who love you. My sincere sympathy to all of you ##imported-begin## Holly Morgan ##imported-end##
