“ To the family of Robert Franklin Barbour Sr. I say I am so sorry for the loss of your loved one. I am daughter-in-law to Patricia Wyatt and would like to share with you what I remember about Bob. I really liked Bob because he was always kind,nice and very helpful when he could. One time I would like to share with you is the one day when Bob approached my husband with a little round wooden coin. On this coin it said, " Around to it". My husband was struggling " a lot a bit", with doing things when they needed to be done, so Bob lovingly approached him in kindness with gentleness to give him this coin. That was the best way to approach my husband! Bob was very helpful with his words that day. Never got a chance to tell him thanks for that but now telling you. I pray for your strength during this time as God I KNOW WILL SEE YOU THROUGH TODAY AS WELL AS, THE TOMORROWS..... Proverbs 3:5-6

With Love,

Carla
