“ I am so saddened to hear of Bob's passing. He & I were very good friends in Jr. & High School and beyond. He was able to attend our 40th year high school reunion where we had such a good time reminiscing about those days with our classmates. We kept in touch until a couple of years ago. I'm sending love to Jan and Bob's children with lots of hugs to get them through this tough time, and to let them know that Bob was well thought of. ~ Barb

“ Bobby was my brother...I have so many wonderful memories of us growing up together...some good and some bad. The past few years was the "long goodbye"...he lived a good life and made lots of friends and memories along the way. Death hurts but I'll always have our memories in my heart. I will miss him dearly Jan is a saint...she was by his side thru the journey. Love you Bobby...

“ My dad is and has been my hero forever, we would take off to go camping and or fishing & having a beer and a bag of barbecue potato chips and then a stick of Wrigley's gum after sling mud at each other @ the lake We would joke and kid round a lot and laugh about things maybe we shouldn't but we did. It would always make it funnier.

He was a main part of what formed me to be a survivor who I am today with many trials and tribulations and what kept me strong when at times I was weak, and the tomboy that I was younger and the woman that I am now is greatly contributed to my dad, he always had faith in me, & loved me unconditionally. I love my dad so much he is and will always be my hero.

“ I had the pleasure of meeting Bob many times while visiting my mother at the Phoenix care unit
My mother is Nancy Nelson and she always welcomed Bob when he stopped by
Bob is a Gentle Soul and I am blessed to have crossed paths with him on this Earth
May God comfort Bob's family and friends during this time and know that we will all be together again some day in God's Kingdom
Have a Blessed Day!

Mr. Bob was such a sweet man. I enjoy being part of his care team. My most fond memories of him is when he would dance with Mrs. Jan or simply by himself. To be absent from the body is to be present with God.
