“ I was very saddened this morning to read of Bobby's passing. I first got to know him when we were 9th graders in Hammond. Years later we became reacquainted through mutual friends in Baton Rouge. I also remember how reassured I was when I realized Bobby would be personally providing the limo service for my son's high school graduation. Still later we got together on many occasions while he was with Bic Alliance. Bobby was an old friend and will be greatly missed. My thoughts and prayers are with his family during this difficult time.
