“ My deepest sympathy go out to you and your family during this time of grief. May you have comfort and peace knowing that “The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The One who gave life to all living creatures is certainly capable of restoring life to someone who has died.” Please accept my condolence, and know we are here for you. “ Thank you so much for this angel on earth. Bobby was a good soul, I know this because our souls connected in a way that was heartfelt. He would always say “You Do You”, he never stood in judgment and always saw the good in everyone. This made him the great person he was. I know he loved his family unconditionally by the way he would talk about you all the time. You where always in his prayers. So know that even though he has left this earth he will always be an angel looking over you, till you are with him again. Love, Arleen his BFF.
