“ Bobby was 1 n a million. He was a very caring and loving ex-boyfriend of mine for 3 years. He was so kindhearted and we remained to be good friends after our breaking up. He went through alot n life and overcame many obstacles. Bobby loved reading. He was very intelligent. He left his daily journals behind. He wrote in them every night about his day. I shared a part of my life with him and Im so heartbroken and also angry about this tragic incident. My heart goes out to ur family. Mrs. Debby I am so sorry for your loss. He loved u. Marissa, u were his life. He loved u more then himself and he needs u to be strong and know he will be with u n ur heart everywhere u go from here on out. God bless the Polk family.
