“ *I spent many summers as a child with your family. They were some of my best and fondest memories. So sad that in my adult life we, as cousins, lost touch. I will forever remember the kindness in you and your family to a little cousin. Love all and pray for God's peace to touch you all especially during this trying time of our lives.* ”

“ I love you brother, this is so hard. You will be forever missed. Wish this was a dream or I wish we could turn back the hands of times when we were just kids. Love you, Gin.
