“ I'm thankful that I had the opportunity to work with Bobby. He would always ask me how my family and I were doing, a practice that seems to have been lost nowadays. Though we came from different backgrounds, our lives and views resonated at times, especially around family. These common views helped us to work as a team through some of the biggest challenges our industry has ever faced. And through it all, he was consistent with his presence and performance. Well done, Bobby.

To Marla, thank you for sharing him with us all these years. I am honored and grateful for having known him. My family will keep you in our thoughts and prayers.

“ First met Bobby when I was a brand-new hire pilot. He went out of his way to explain how the offshore communications networks and flight following systems worked. Later, he was a dispatcher for BP when I flew that contract. He was always a pro, not afraid to laugh at himself, and a true pleasure to work with. A good man, good friend who will be remembered forever. God Speed Bobby, you've done well here.

“ I moved close to Bobby when I was 5 and we became friends. We were kids when there weren't computers so we spent all our waking time playing football, baseball, kickball and rock wars. We rode bikes everywhere. WITHOUT helmets! And countless hours of Army where we fought an endless array of enemies. If not for the kid army we may have lost the whole darn place. And the memories don't stop. In our teens we would go camping and Bobby did all the cooking. I didn't like game unless Bobby cooked it. I swear he could have sautéed a pine cone and it would have tasted good. Most of my favorite early memories have Bobby in them. He will always live with me.

“ Bobby was a coworker, friend and at times a confidant for over 20 years. We shared good, bad and trying times over those 20+ years. Bobby's expression always changed when talking about his family. It was apparent that he loved you all very much. Our thoughts and prayers are with you all during this trying time. Rest In Peace my friend.

“ Bobby was a friend and colleague. I met him when I joined the Houma team a little more than three years ago. He was welcoming day one and always generous of his time. In addition to his kindness, it was abundantly clear that he cared deeply for his family as one could easily sense the pride in his voice when he lovingly spoke of his children’s accomplishments.

Bobby, rest now and be welcomed into His light...

“ I have been a friend and coworker of Bobby’s for over 40 years. We both went to work for PHI shortly after high school and became good friends. We passed some fun times together over the years. I am going to miss my friend. Deepest sympathies to all of the family.

“ Bobby and I shared a office, we spent more time together than with out families due to the hours we worked. We fought like a divorced couple and laughed like best friends. Our lives will never be the same with out our Bobby.
