“ I didn't Know how much he was a part of my life until he is gone. Now there is an empty spot in my life and heart, we will miss him very much. He was always there for me and others trying to help his friends. A great Guy.
Your friend always Dale.

“ I love you Rob. Bobby, Robert and Bob- over the decades the name we called you changed, but you never did. I appreciate everything you ever did for me, from the things you taught me, the things you introduced me to and the extremely lengthy debates we had on ... everything. You were as much of a family member to me as you could possibly be. Tell your excellent parents I said hey, I miss them, and I'll miss you. Can't wait to see you on the other side. Rest easy, Easy rider.
