“ Praying for peace and comfort for all. I have many happy memories of growing up with Robert and Bea. Especially when I would sneak down to their house and sample some coffee. And go to the ice house. Robert was 3 months younger than me and then we were about 6 years old. May he, Truman and WS rejoice in Heaven together.

Robert Lewis was my daddy's best friend and fishing buddy. Once my dad got lost out in his boat fishing, and we feared the worst. Robert dropped everything to go a long way to make sure Tom was okay. We will miss that smile and bear hug. We are so blessed to have had him in our lives. My dad was waiting to give his friend a big Welcome.
