“ Leslie there are no words to say at this time to ease your pain. I know, I have been in your shoes, different time and different circumstances but I know and feel your pain. Please know that the Lord will be there for you if you call on him. He will hug you, walk with you and comfort you. I know that too! You are in my prayers daily as well as Presley. It will be very hard on her. Keep those memories alive for her, she will need them. Let me know if I can help. Love and prayers, Kathy (Clark) Hutchinson  
If you don't know me, your mom does, and I know you know Clark very well.
