“ Wow - so many things I could say about my Uncle Bobby! I remember being just a little girl and spending the night with he and my Aunt Sharon. At the time, they only had Miranda & Robert. Robert may have been all of 5 years old. Uncle Bobby loved his kids, loved his family and loved life! We would go camping every summer at Lake Martin or Percy Quinn campgrounds -me, my mom, Connie, dad, Ronnie ( Bobbys older brother), my brother, Aunt Sharon, Uncle Bobby, Miranda and Robert... Such FUN times!!!! Uncle Bobby was crazy fun! Always a smile and a laugh. I miss him, and those days. So hard to believe he's gone. I love you!!!!##imported-begin##Teresa Olah##imported-end##

“ Robert and I worked together eight hours a day, five days a week and a lot more during shutdowns. Because we were around each other more than I spent at home, we became close friends. We use to have a good time telling jokes and clowning around. He will be missed by me and all other Quality Fab. employees. Robert was a very good machinist. He taught me a lot and showed me all kinds of tricks to make me faster on machining parts. We use to talk about all kinds of things and I felt comfortable talking to him. He use to listen and give me good advice. Sometimes we had our differences, but we always managed to overcome them and remain friends, but that's normal when two people are around each other for that long. We both bought a Snap-On box around the same time. We also both bought a lot of tools from the tool trucks that came to the shop. We were the same when it came to our tools. If I needed something and he had two, he would always give me the extra one and I did the same. We use to watch out for each others tool boxes by making sure nobody scratched them or took anything. Anyway, Robert will always be in my prayers. Bradley Bourgeois##imported-begin##Bradley Bourgeois a.k.a Hollywood##imported-end##

“ *I have known Bobby for a number of years when he played drums with the Band "Crossfire". Although, I have been out of touch for a while, Bobby and I had many fun times.  
Bobby always had a way to make people laugh and smile through his quick witted ways. A darn good drummer, and a good friend.  
He will always be remembered in my mind for those times and my prayers are with his children and family.##imported-begin##Mike Saucier##imported-end##*
