“ My deepest sympathy go out to you and your family during this time of grief. May you have comfort and peace knowing that “The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The One who gave life to all living creatures is certainly capable of restoring life to someone who has died.” Please accept my condolence, and know we are here for you. If you have any questions please contact me at the email listed.

“ I love you brother and I will miss you. Being your really younger brother you filled in for daddy. You were always there when I needed you. Now you will join my other Angels in heaven, Momma, Daddy, and Janice. When I walked into your room at the hospital and you smiled and said My Brother, I cried inside so you wouldn't see, but I felt like you was telling me something. Rest In Peace Brother! I will see you again some day.
