“ Mr. Norman was always a wonderful person to me and invited me into his family as if I was part of it all along. He often took me to church with his family as a teen and I pray he continued to follow the Lord and Savior and is resting in peace with Jesus now.

“ We shared many memories on Tickfaw river at Horse Bluff. We were together just about every summer while growing up together on the river, fishing, skiing, homemade ski board riding, and lots of good food. Love you grip and always will?
