

Robert 'Robbie' Alfred Cambre Jr.

April 28, 1971 - April 30, 2023

Robbie, age 52, went to his heavenly home on Sunday, April 30, 2023. He was a native of New Orleans and a current resident of Ponchatoula. At the tender age of 5, Robbie was diagnosed with glioblastoma tumor; his prognosis was only 4 more years to live. Praise God, he lived to the beautiful age of 52. Robbie enjoyed the arts, listening to music and creating designs with adult coloring projects. He loved his family the most and loved traveling with them. Every single vacation trip taken with his family was a truly treasured memory; from the camping trips, to his huge 40th birthday cruise they went on. Robbie's heart was for his mother, Brenda as she was his caregiver throughout his life. Robbie was a loving son, brother, uncle, cousin, and friend who is already dearly missed by all who knew and loved him.

Robbie is survived by his loving parents, Frank and Brenda Longeran; brother, Lance Anthony Cambre, Sr. and wife Brandi Hardy Cambre; nephews, Mason R. Hoyt, 'Godson' Lance A. Cambre, Jr.; and Landon M. Cambre; great niece, Annelise D. Hoyt; great nephews, Mason D. Hoyt, and Ezekiel T. Hoyt; numerous aunts and uncles, especially his Godmother, Carol B. Gambino and his Godfather, Dwain Gambino, Sr.; as well as many cousins and other family members that loved him.

Robbie is preceded by his father, Robert Alfred Cambre, Sr.; grandparents, Claude and Hilda Breaux, Alfred and Hazel Cambre.

In lieu of flowers, family requests that donations please be made to TARC of Hammond.
