

## Robert Patrick Wright

May 21, 1947 - August 26, 2023

Robert, age 76, passed away surrounded by his loved ones on Saturday, August 26, 2023. He was a lifelong resident of Holden, LA. Robert proudly served his country in The United States Navy. Friends often got drawn in by one of his believable stories only to hear the punchline, realizing that it's not true, it's all a joke, and then share a hearty laugh. Robert's family always came first. His favorite occasions were the holiday gatherings, crawfish boils, eating out, and taking road trips. He was a loving father, grandfather, brother, uncle, and friend who is already dearly missed by all who knew and loved him.

Robert is survived by his daughter, Teressa Wright Schilling (Robert); sons, Patrick 'Heath' Wright, Robert 'Seth' Wright (Michelle), and Joshua 'Josh' Daniel Wright; grandchildren, Brittany Wright, Cole Mushinsky, Waylon Wright, Kaylon Wright, Brian Hermann, Breanna Hermann, Triston Hermann; great-grandchildren, Malachi Gross, Taj Gross; sister, Susan L. Wright; along with numerous nieces and nephews.

Robert is preceded in death by his parents, Fred M. Wright and Lenny Picou Wright; and brother, Timothy Wright.

“ *My sincere condolences to Pat’s family and friends.*

*I’m proud to have served with him aboard the USS LAFAYETTE SSBN 616. It was my better fortune to have had him as a friend and a shipmate. He, Bill Spann (another shipmate) and I were single men in those times and spent a lot of our off times together. His nickname aboard ship was Mouse so that’s all I knew him by. He was kind of withdrawn around most people but seemed to be comfortable and relaxed around Bill and me..and that made us feel good that he trusted us. We picked at each other unmercifully the better we got to know each other. We frequently made road trips in our free time and long weekends. These would sometimes be to my home in Jackson MS for a weekend. He got to know my family and he was a favorite of my mother who insisted on calling him Bobby and never Mouse. She would chastise Bill and I for calling him Mouse and he seemed to revel in her protection. He was always gracious and respectful to her and I appreciated that. When he left the sub in ‘70 it was not the same and both Bill and I missed him. With a lot of effort I was able to locate and reconnect with him 15 or so years ago. He, Bill Spann and I visited a few times since reconnecting and were able to catch up where we left off. Here is a picture of us three at a birthday get together for Mouse in 2018..left to right, Bill Spann, Mouse, me.*

*I have nothing but great memories, recollections of our friendship and vet brotherhood about Mouse. I think he’d say the same about Bill and me.*

*And, I’m good with that.*

*Sailor, rest your oar, we have it from here..*
