“ A few months back while shopping, I ran into Robin as her mom was checking out. I called her by name and she sat down next to me. We talked for a while with Robin smiling like always.

My favorite memories of Robin are her visits to "Tallo's" with her dad. As they checked out, she would always reach for the change - not the coins but the bills! 20's and 100's made her happy!

I know she will be missed by each of you. You all are in my prayers.
