“ I'll never forget Robin and the love we shared for 27 years. He was the love of my life and my best friend. All of his children and family brought much joy to him. His friends were dear to him, too. He brought such joy to all of us. He left a great example for all of us to follow.

I got it too, Dwayne. He was a loving husband and wonderful father. He said that anything worth doing was worth doing right. Noah and I love and miss him so very much, but we have his example to live by in honor of him. Thank you, Dwayne for all of your strength. We couldn't have gotten through this without you. You are so loved.

Just as always, someone that you love who you've shared memories with...shock and hurt when they leave. May God always bless your soul and cover your family! Rest on!
