“ I wasn't aware of Dixon's passing until this morning. I Googled his name to try to find a phone number, since I haven't talked to him in years. I was very sad to hear he isn't with us any longer. He and I did Bible study at work years ago, and even though we didn't always agree, the experience changed my life in a positive way. I'm sure he's already run a dozen marathons in Heaven.##imported-begin##John Singleton##imported-end##

“ *We are comforted in knowing that Dixon probably immediately put on some track shoes-ran to Heaven-grabbed Forest Gump and did a marathon from one end of Heaven to the other.
(He always said that "his legs would work in Heaven")*

We are gonna miss our dear friend-we shared so many things together, none of which we will ever forget.

We were blessed to have you in our lives for so long-especially when you and Sharen "followed" us to Vicksburg.

You half raised our boys-and we luv your family as if they are ours.

Dixon, don't give GOD a hard time up there!

Until we meet again...
