“ *Ronnie and I grew up down the road from each other. He used to watch me when I played football for Hammond High and we would also talk about the good ole days. Ronnie was older than I but I used to enjoy stopping by his house when I would see him and Sweet pea working out in the yard and talk about stuff...gosh that was great memories. Ronnie was a super guy..*

So sorry for your loss. When I was a child, my brother and I would go to his house and play whenever we could. Also his mother would let us watch TV with them some times. We attended the same schools and graduated from Hammknd High. My thoughts and prayers are with his family. (Ruth McLaughlin Martin)

“ Oh so sorry for your loss and the loss of our longtime family friend and my wife Eloise's first cousin. I had a blast growing up out there With Ronnie and his brothers riding horses all over the countryside. Ronnie and his brothers were all super football starS. His dad and my dad played football together at Hammond high school and then went on and played for Tulane. As did Ronnie's younger brother Warren did And then went on to Play professional football where he scored a touchdown and has a Super Bowl ring. Ronnie as everybody can remember was a super star running back for Hammond high school. What good memories to cherish always.Our prayers are with you
