“ Wendy, I am so sorry to hear about your Dad! I knew him before I worked with your Mom! He always came to my Dad's store in Tickfaw. He always had a smile on his face and loved talking about his daughter! (I knew that you looked familiar at Midway, but I could not place you until a couple of years ago! It was a resemblance of your Mom who was my buddy at work!) They were 2 proud parents and after when the grandkids came they were even more prouder!! Kepp them in your heart, they are always near you!##imported-begin##Sannie Bonfiglio##imported-end##
