“ *I was saddened to hear about the lose of Rose, she was such a beautiful and kindhearted person. We have been keeping in contact with each other for years through cards, phone and mostly text messages the last few years. One time we were on the phone for almost three hours and didn't realize how fast the time went. I always tried at least once a month to contact her and find out how she and the family were doing. We just recently texted each other on the 4th of July, as well I sent her a text on Mother's Day. She was loved and will be missed by the many friend's she had and especially her girl's and extended family. I'm so sorry for your loss and heartfelt condolences go out to you. You're in my thoughts and prayers. May God Rest Her Soul ! Dixie Scallan*

“ First of all I want to let you all know of my family's deepest sympathy for your loss. I want to share a memory dear to my family's heart. Your mom and dad attended our son's Ordination into the Priesthood (Fr. Augustine DeArmond) over 11 years ago. They traveled to Memphis Tenn. in order to attend. They made one of the most important days in our life even more special. Your mom never failed to ask about my son each time I saw her. "May her sweet soul rest in peace and may perpetual light shine upon her". Love and Prayers, The DeArmonds
