“ Roxanne was such a light in this sometimes dreary world. She always had a kind word to say about everyone and every situation. I will miss her terribly and I know her family will too!

*I am so sorry for your loss
I just found out about Roxanne's passing today
Loren just told me. I loved your mom so much, she was one of my best
friends, I remember when we first met, you were in Loren's class with
Mrs Tillaston and she was treating you and Loren among others
terribly, me and your mom stuck together to get her out. She became
one of my closest dearest friends.
I love her very much and I love you very much.
My heart is breaking and I have been crying since Loren told me about
it this morning.
Zach , How is your Dad doing? Please let him know how sorry I am
that he lost his beautiful wife.
She was not only beautiful on the outside but on the inside as well.
I will miss her and pray for her everyday to one day see that beautiful
smiling face of hers.
She helped me through everything I went through, and I will always
remember all the fun times we had, even through the hurricanes we
went through together.
I love her and I will remember her in my heart.*

“*Oh my goodness. My heart broke and the tears rolled when I saw
this today. David, it's been many years since I talked to Roxy but
what fun we had. We were a bunch of gigglers and pranksters at
work. We always enjoyed each others company and I know you will
miss her beyond words. I can remember how happy y'all were when
Zach was born. You have my deepest condolences, love, and
prayers. I'm sorry I live so far away (Oregon) and can't make the
services but just know you are right here close to my heart right
now. Much love to you both. RJ*

“ Just ran across this post on Facebook. I worked with Roxanne at BCBS for a temp assignment with Kelly Services. Roxanne was my manager. She was the sweetest lady. We shared the obsession with different pens. I'm so sorry for her family's loss. Praying for those that will be mourning her absence.

To say that I am devastated by the news of Roxie's abrupt passing, is an understatement! I met her 8 years ago when she became my insurance agent. We instantly became friends! She was always there for me when I needed advice on medical procedures for my family- her knowledge extended far beyond "insurance"!

I cherish the many phone calls over the years where we leaned on each other through difficult times. In fact, we have never met in person, but I had an image of her in my mind. She was intelligent, caring, funny, sassy and loved her family deeply. She was truly a special lady!

My heart aches for her loved ones!
