“ *Lonnie,*

I spent a lot of time at Uncle Joe's and Aunt Opal's, and Russ was my tormentor, but I loved him anyway.

He taught me how to swing on a rope in the barn, from one side of the stacked hay to the other side, how to milk a cow and stay away from the roosters that Uncle Joe had, because they would chase you or jump on your head.

He was always fun to be around, and loved to joke/tease. Must have inherited that from Uncle Joe.

I will miss him at our family reunions.

Take care and may God Bless your family at this time.
