“ Years ago Mr. Russell and Mr Randy showed up on our doorstep here in Preston, Mo to inquire about turkey hunting and have been coming back every year. They have enriched our lives so much, God put a love in our hearts for them and so looked forward to spending time with them. Our neighbors can't wait for turkey season to roll around just to spend time listening to their tall tales and hearing them picking on each other. While my heart hurts for his family, friends and all that knew him (our family included) it also rejoiced to know he got to go home. God bless each and everyone of you.

“ *When I was an early pre-teen. The Albany twins, Mike & Kelly Staton talked me into climbing the newly unfinished water tower lol. I must have been crazy 😳. Around 2:00AM, mr Russell pulled up and preceded to question us about the lateness of the hour and why we were atop the water tower. To his inquisition, Mike and Kelly Staton clearly yelled down to Mr Russell on the ground, “Hey, Russell, we saved the cat!!!! 😭😭😭 as if there were some poor kitty in need of rescue lol. I hurried down the center pipe and Mr Russell promptly sent me home with nothing ever to be mentioned. And that's only one reason I loved this wonderful man. Rest In Peace dear friend to all the people of Albany and so many more 💕💕*
