“ I have many wonderful memories of Aunt Ruth from growing up but will remember her laugh and her kind heart the most. I will also treasure the memories of her and my mom and the friendship they shared throughout the years. Uncle Billy, Terry, Becky and Debbie, keep your special moments close to your heart, speak of her often and she will continue to live on in all that you do until you meet again in Heaven. Y'all now have a special angel always looking over you. Prayers, hugs and love for you all.

“ I was blessed to have met Mama C 8 years ago. When I became instant BFF's with her daughter, Debbie. She took us under her wing and made sure we always had what we needed. I did, for me I not only got a best friend but also an extremely genuine lady who became my Mama C. You will be missed in for more many ways any than of us will imagine. Yet you left behind a lot of love and blessed all who had the privilege of knowing you. Now you have earned your wings and is strong again. I love you so very much and know that you are looking down on all of us.
