“ Dear Scotty,
As you glide along that rainbow and your heart is bursting with glee,
I know its a joyous journey, I know that you are free.
And as you glide along that rainbow and sing your favorite song, I
will dry my tears and be happy and try to sing along.
So glide along that rainbow, I see the light has grown, I will keep
you warmly in my heart as you enter your new Home!
I will miss you my friend, I will never forget that wonderful
smile.##imported-begin##Paula Toups Marx##imported-end##

“ Scott, you knew I loved you. I loved you” no matter what” and there is nothing that I would care for more than to hold on to you forever. However, I know it is not for the best. With that being said, no matter much my heart is going to break. I have to let go and let God so you can know just who much I loved you. Maybe if I am lucky, I will see you again but if not, I can make it through this, thank you for twelve stepping me just for today. LT##imported-begin##Linda D. Terry##imported-end##
