“ Dear Sweet Dee Dee,

I can not imagine the pain that your are going through right now. Your mom was a wonderful and kind soul that I know will be missed by many. I remember staying at your house when we were kids and how she always had a radiant, kind smile. Both your parents were remarkable people and it shows by what a wonderful woman you have become. Its been along time since I have seen you but I want you to know that I am here if you need me.

Love Always,

Tanya

“ Your mom was a wonderful and loving person. I have so many pictures in my house that she framed for us. Her kindness was evident in all that she did. My prayers and deepest sorrows are with all of you.

2 Corinthians 5:6-8 So we are always of good courage. We know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight. Yes, we are of good courage, and we would rather be away from the body and at home with the Lord.

Dear Ms. Sharen, I was never fortunate enough to meet you, but God led me to your beautiful daughters, Meche and DeeDee, and from the years of kindness and loving friendship they've given me, I know you were an exceptional woman, wife, and mother. My heart breaks that you've been taken from this world so tragically and so soon, but I know you are reunited in Heaven with your loving husband and with the Lord. Your daughters have blessed many with their friendship, and we promise to honor you by taking care of them and their precious sons and husbands as best as we can. Thank you for all the beauty you brought to the world. Love always, Hadley Griffenhagen
