“ *Everytime I close my eyes, I see her smiling face. Her spirit was so genuine, you could feel it when she entered a room. She was loved by all. No one could say a bad thing about her. I've never met another person like her. I will miss you you and love you always my friend.* ”

“ *This is so hard telling you goodbye, my sweet friend. At least I know that you are with your mother and family again. Please give my mother a kiss for me. I will miss you terribly and always regret that we never got to keep that lunch date or make the breakfast or have more long talks. I hold on to the fact that you are suffering no more and that Heaven is blessed with your presence. You will always be in my memories until I see you again.* ”

“ *Sondra, Tony, & Family, I was so deeply saddened to hear about Sharon's sudden illness and her death. I greatly admired all the things she accomplished in her lifetime, and it's such a tragedy that after all her hard work, she didn't get to completely enjoy the fruits of her tireless labor. But, without a doubt, she's now in a better place. My thoughts and prayers are with you.*
