“ I first met shayna when she was around 4 months old me and lacey had just started dating. I was her stepdad practically her entire life. I watched her roll over for the first time. I was there through it all. Although she had a real father and a great one at that(Shawn Jones), i was proud as heck to be a part of her life. I considered her my own. I have many memories of that angel. I just hope that she knew how much i love her. She will always be in my heart forever. I love u shay shay.##imported-begin##Andrew Whitehead##imported-end##

“ *Tiny Angels rest your wings  
sit with me for awhile.  
How I long to hold your hand,  
And see your tender smile.  
Tiny Angel, look at me,  
I want this image clear....  
That I will forget your precious face  
Is my biggest fear.  
Tiny Angel can you tell me,  
Why you have gone away?  
You weren't here for very long....  
Why is it, you couldn't stay?  
Tiny Angel shook his head,  
"These things I do not know....  
But I do know that you love me,  
And that I love you so".##imported-begin##Elizabeth & Jay
