“ *Sending prayers to Sheree,s family and friends. Sheree was a very special person. She touched everyone she met in 1 way or another. I'm gonna miss talking with her. She was always full of information. It's a shame she had to go so soon. The best thing is, I will see her again when my time comes. Love you lady. RIP.*

I wish I could make it better. The only thing I can say is I love all of Y'all. It hurts so bad and leaves a void that can never be filled. Hold on to great memories you have of her. They are more precious than silver or gold. God bless all of you.
