“ Mrs Sherry was like a 2nd momma to me during one of the hardest times in my life! She would stay up late waiting for Heather and I to come home from a night out, and if she happened to be at my house babysitting for me, I came home to a clean spotless house.. all out of love... My sons was treated like a grandsons and I was treated like a bonus daughter... And nobody made Bar-B-Que Shrimp like Mrs Sherry!!! I know her and Aunt Debbie are singing with the angels! And talking about them apple carts 😊 (she knows what I'm referring too!) Her absence here on earth will be missed by many but she's not gone forever!! ❤️
