Sherwood A Frickey

Sherwood, age 74, passed away on Tuesday, October 11, 2022. He was a resident of Holden, LA. Sherwood loved spending time with his friends and family. He would always go above and beyond for those he loved. At the age of 60, Sherwood took on the responsibility of adopting his grandsons. Some of the families' fondest memories with Sherwood were listening to music, sitting around cooking, and drinking while telling stories. Enjoying a good Bourbon and Diet Coke was one of his favorite past times. He worked for Cytec in the plants for 34 years, making sure his family was always taken care of.

Sherwood was such a loving person who always made others smile. He will be forever missed.

“ *I'm going to miss you Flash. I will see you on the other side. I remember the first time I met you. It was my birthday. You bought me a birthday cake, and we all went out and had a great time. Every time you would visit us or we went to visit you, we would always have a fun time together. You kept us laughing all the time. That's what I'll always remember about you. You were so loving and fun loving. I will forever miss you. Fly Hi Flash.*
