“ *Shirley was a stalwart member of "the" book club, now sadly no longer in existence. Shirley and Katie for a good part of their lives were good friends and were a great part of that group and I will miss those meetings on Wig road. They were always treat and the view overlooking the river with friends was always a good day. Lee Collins*

“ *Lifting your family in prayer and have been for many weeks now ... I so loved your mother... she always had a kind word, hug and smile and always asked me where Delta Air Lines was taking me on my next adventure. She always sat a couple of rows in front of me at Church and she will be dearly missed. May her strong faith bring your family Peace...*
God Bless,
