“ over 3 years are gone now since we lost the most caring women I ever know.
I was a young german Girl when I first got to know Sondra. At the time she and her husband Joe was living in the same Appartmen building I was living with my Parents. There where those 2 cute little kids, Terry and Joey. Sondra and me become real good friend and we spend a lot of time together. She became the sister i never had. Then she had to leave Germany cause Joe's time in the Army was up. After many years and thanks to the Internet I found my sister again, she came to visit me and my Family in Germany with Isaac. I never forget how I felt when we see each other at the airport, we was laughing and crying at the same time. Soooo blessed to have my siter back. I feel so hornored that she let me be her friend. I always love you Sondra and i will never forget you as long as I live. We will see each other again. Love always. H##imported-begin##Heidi Maxwell##imported-end##
