“ We have been friends with Stephanie’s family for over 25 years, so I was acquainted with Stacey through them. I remember her best as shown in the last 3 pictures Stephanie shared, where Stacey is pictured with Berkeley. Though I saw her in the Otts home through the years and at weddings, I remember her best from a play date at a local park in Arlington years ago, where the three of us met up to let our children play and have a joint picnic. Stacey was fun and easy to talk to, and interested in what other people had to say. She was not self absorbed and was quick to laugh. She was an attentive mother and adored Berkeley.

Though the years after were woven with personal difficulties and struggles, Stacey’s willingness to love was always apparent to me, and I never saw her without her offering a warm hug, friendly conversation and a smile.

I will miss knowing she is here with us, but I rejoice knowing that she has joined the part of The Body of Christ that lives in heaven! I look forward to seeing her again, free from anything that bound her here on earth. ❤️

1 Thess. 4:13-14

“But we do not want you to be uninformed, brothers and sisters, about those who are asleep, so that you will not grieve as indeed the rest of mankind do, who have no hope. For if we believe that Jesus died and rose from the dead, so also God will bring with Him those who have fallen asleep through Jesus.”
