“ Although I haven't seen Jr. in many years, the children who grew up on Murray Road hold a certain bond, I think. I'm so sorry for Rhonda, Byron, Stacey and the rest of the Reid family. Praying for comfort in these sorrowful times.

Jr has always been the savior in our family. We have all leaned on him for one thing or another our entire lives. His passing is very difficult to process, he will be missed but will remain in our hearts and minds always. Even though we are going through this difficult time, we know that things are better for him now. He no longer has to suffer.

“ You an OG. You always held the family down, I can only hope to be half the man you were. I've never really told you this and it hurts, but I love you and listened to your advice a lot more than you think.
