

Stephen Craig Portier

May 3, 1956 - July 27, 2023

Stephen, age 67, passed away on Thursday, July 27, 2023. He was a native of Georgia and a resident of Hammond, Louisiana. Stephen was a Chief Engineer for more than 40 years at WNOE, WWL, and KSLU Radio. He enjoyed doing anything that was hands-on, including adding arrowheads to his collection and he had a knack for anything technological. When Stephen wasn't doing those things at home, he loved going to the beach. He was a true family man who would always go above and beyond for those he loved, especially his wife, daughter, granddaughter, and little buddy, Brees. Stephen was such a loving person who always made others smile. He will be forever missed.

He is survived by his loving wife, Donna Portier; daughter, Nicole Portier; granddaughter, Taylor Mobley; and brother, Larry Portier (Sharon).

Stephen is preceded in death by his parents, William and Bernice Portier.

Arrangements have been entrusted to Brandon G. Thompson Funeral Home.

RY

“ Mr. Steve was a kind and generous man. He had such a huge heart. Over decades, he was always so kind to me. He treated me as someone he trusted, and welcomed me no matter the chapter in life. Miss Donna and Nicole will understand this.
I “googled” his name to check on his wellbeing. This update is so unfortunate. Mr Steve and Miss Donna always treated me like family. My last memory with Mr. Steve was him wanting to pay to fill my car with gasoline because I helped with a leaky toilet.
I’m so sad to find this update. I will never forget that this man always made me feel welcomed. I pray Miss Donna is okay.
If any of you, Nicole, Donna, and/or Taylor see this, I hope you know I respected Mr Steve and his kind heart.

“ Steve had wonderful stories of his time working in radio, and he loved the industry so much. I am so thankful he shared his talents with students who will carry on his work. I’m praying for his family. Gosh, I’ll miss him.

“ Steve Donna me and Belinda had great times together. Steve and I played football at DHS in East Albany Ga. He played guard. Really, he was so tough and quick. Knew Mr. Bill and Ms Bernice too. About 3 months ago he reached out to me to get together. Was hoping to before end of year. Steve knew Christ and shared his belief. I can only imagine what it was like for him to meet our savior Jesus.
