“ *Debbie, so sorry about your loss. Steve was very approachable and kindhearted person. Always a smile on his face. Always concerned about others and have seen him take a persons hand and ask them are they alright. He was an excellent example that we all can follow. Steve knew that him and his wife needed to be in the middle of the congregation and that's where you two are always seen. Love you lots. we are keeping you in our prayers. The Rooneys*

*Malaysia and I feel the same way.. Bro Steve was such a warm and caring person who was willing to help others if he could. It was so plain to see how much he loved our sweet Debbie and how much He cared for the friends in the congregation. He will be dearly missed by all of us..*

*As I shared with Deb , you both are TRUE BLUE in every way ... as Christians. Humbly always taking the lead in following the pattern Christ left for us . You both are known for the immense love you shared each and every year of hospitality toward all in the congregation and their bible students . Thank you so much for being so kind Steve for lending your keys and Truck to help pick up donated furniture given to Cullen & Sage after the flood took all their belongings in the flood . There are Endless kind deeds about this beautiful brother and his beautiful wife ..... I invite any who read this please share a personal heart warming memory . That is where he is NOW safe in the memory of our dear Heavenly Father and his precious son our redeemer ... Mankind's only SOLUTION for those who have died as a result of our First parents. Genesis 2:16,17 The hope of a bright future is ahead for our dear friend , brother , son , Husband.*
