

Steven "Steve" Finckbeiner

November 7, 1950 - February 25, 2014

Steven William Finckbeiner, beloved husband of Connie, adored father to Stevie (Lea), Kristin (Jay), Danny (Codi), and Kati (Trevor), proud papa to Klaire Fontenot and Elle and baby girl Finckbeiner, beloved brother to Fay St. Germain, brother-in-law to Rudy St. Germain, Danette Taliancich, Germaine and David Carter, Mark Taliancich and Michael Taliancich (deceased), son of Beverly and Ferdinand Finckbeiner (both deceased), son-in-law to Nana and Dan Taliancich(deceased), nephew to Minnie Finckbeiner, uncle to numerous nieces and nephews, was taken too soon from our lives by a murderer on February 25, 2014. He was only 63 years old.

Steve was owner of LaPlace Feed & Supply for 28+ years. He, Connie and their children spent all of their days together from the day the feed store began. He loved his family more than life and he lived his life his way, which was for his family. He was an avid racing pigeon fancier and he and his friends began the first and only racing pigeon club in LaPlace. He won many races and has the trophies to prove it. He was a songwriter, music composer and wonderful guitarist. Playing the guitar was his favorite past time. He played every day to himself and family and friends! He was a loyal friend to many, both new and old. He loved to talk politics and he loved a friendly debate. He loved helping people and the volume of people he helped is too many to count. Like his mother, he loved to teach things to people from gardening to chicken husbandry to caring for dogs, cats, horses, and nearly any animal one

can imagine. Like his father, he was a loving family man. He created four beautiful, awesome children whom he loved more than life and who will miss him every day. He and his sister, Fay, were as close as two siblings could be. He loved her with all of his heart. He and Connie were married for 38 years this past February 7 and never will a day go by that she will not miss him by her side and being with her 24 hours a day. He will forever be the love of her life and she his.

Please come share the celebration of his life with us at our home

“ I never knew my grandfather that well. He was brutally taken from me and my family when I was a toddler and my sister never got to meet him. I was told how he accepted people of all sexualities and gender and races. He taught himself how to play guitar and was a tough love father with my dad. I never found out how he died until much later, but if I had one wish in this life, it would to meet the man and ask him questions like what my dad and his siblings were like growing up, the trouble my dad got into when he was a kid, what songs he liked to play on the guitar, how he met my grandmother Connie(RIP) and what his favorite memories are. I love you grandpa and may the gods look over you.

“ Mr Steve was a great man in my life. I use to date his daughter in the late 90's early 2000. I was in a dark place in my personal life. He was the only man at that time to believe in me. I'm so sorry Mrs Connie, Katy, Danny, Steve and my old girl Kristen.

“*My deepest sympathy to Steve's family. I grew up in Chalmette with Steve, and enjoyed every minute w him, except that time he was riding on the back on my Honda 350 scrambler when a car pulled in front of us. We were 17-18 years old minor injuries. Also remember when he and Frank Lucia (RIP) skipped out of school, rented a canoe in City Park and found a dead guy floating. Their pic was in the paper, which got them a suspension for skipping school. Sorry we lost touch over the years. He was a wonderful friend. May God look over Steve and his family.

“ Dear Finckbeiner family, we want to send our sympathies to your family on the loss of Steve. We met ya'll back in 1985 I believe when you first opened the store. Spent many good times talking with Connie and Steve and my kids enjoyed playing with Stevie, Kristen, Danny and well Caty was still in the highchair. Ya'll are a very strong family and we are praying for you every day during this time. We are trying to arrange when we may be able to come down hopefully for the funeral if not we are coming around Easter. We are no longer in LaPlace but our family is still there. Steve will surely be missed. Our prayer is that the Lord will soothe your hearts in the coming days. When one member of the body of Christ hurts...we all hurt. If ya'll need anything please do no hesitate to call. 205-873-2054 Lovingly, Dale and Gretchen Schexnayder

To the Finckbeiner Family, we send your family blessings and love and may you always remember the great times you've shared which was everyday. You both gave me good advice when Sarah was a baby how to cure this and that and what to do. I know everyone says "Oh there in a better place" right know we don't think so but one day we'll all be together again. It has become a dark angry and hateful world out there and he's in a better place I believe.
