“ *Wish we could have grown up together rather than apart. I was so saddened to hear about everything, then to get the devastating news that you went to your heavenly home..broke my heart..our moms too. Now that you are in heaven you can probably know how much your biological mother Audrey really loved you & her other children. One day we will all be reunited again..til then, rest easy sis. ❤️*

“ *I met Tammy when she was dating Garyel. She was an amazing person. When Garyel had my grandson visiting, she would take care of him like he was her own. She took lots of pictures and made sure we got one that she framed herself. I will always think of her when I look at the pictures on my shelf. When we would all get together she and my husband were the only Alabama fans there. She had an infectious laugh. She was a very generous, caring person. Always thinking of others.
